

ADINATH FORGING

ABOUT AFL

Adinath Forging Pvt Ltd, established in 1995 in Rohtak, India, is now a trusted brand in the automobile, construction, agriculture & railway industry as a supplier of high tensile & mild steel Fasteners (Standard & Special Bolts, Nuts & Machined Components), along with Sheet Metal assemblies - welded & tubular.

We cater to major domestic OEMs including Ashok Leyland, Mahindra & Mahindra, MG Motors, Baja Auto, Maruti Suzuki via T1, Indian Railways & JBM Group, and have now also ventured into the export markets of South Asia & Europe.

WHY AFL?

- An IATF 16949:2016 Certified Company.
- One Stop Shop - Fasteners (Screws, Bolts & Nuts), Pressed Sheet Metal & Machined Components.
- In-House Setup - Forging (Hot & Cold), Press Shop & Weld Shop, Precision Machining, Heat Treatment & Surface Treatment.
- Indigenized Multiple Parts For Maruti & Mahindra.
