Bus Tour – May 2nd, 2021 Historical Philadelphia & Eastern State Penitentiary Departs Lancaster, PA.

HISTORIC PHILADELPHIA

“AMERICA’S MOST HISTORIC SQUARE MILE” - History comes alive as we walk in the footsteps of our Founding Fathers along brick walkways and cobblestone streets in Penn’s “Greene Country Towne,” Philadelphia. This city served not only as the capital of the colony of Pennsylvania and the capital of Colonial America, but was the capital of the United States of America from 1790-1800. In an area known as **“America’s Most Historic Square Mile,”** we will visit such sites as **Carpenter’s Hall**, where the delegates gathered for the First Continental Congress; **The State House of Pennsylvania**, better known as **Independence Hall**, where the Declaration of Independence and the U.S. Constitution were signed; **Congress Hall**, the site of the ratification of the Bill of Rights; **The Liberty Bell**, America’s most cherished artifact cast in honor of Penn’s Charter of Privileges; **Franklin’s Gravesite in Christ Church Cemetery**; **Betsy Ross House**, an example of a working class home of the 18th century; **The President’s House**, the site where President Washington lived during his presidency with the exposed archeological findings of his possessions; **Elfreth’s Alley**, the oldest continuously occupied residential street in America; **Christ Church**, the Anglican Church established in 1695 where many of the Patriots of the Revolution worshipped; the **Franklin Court Print Shop and Underground Museum**, a working tribute to the accomplishments of one of America’s greatest Founding Fathers; and the **Franklin Post Office**, the only post office in America which has no zip code, is open seven days a week and mail is hand-canceled with the “B. Free Franklin” postmark. <https://www.visitphilly.com/articles/philly/things-to-do-in-historic-philly/>
