St. Michaels is a picturesque harbor on Maryland's Eastern Shore and was named as one of the Top 10 Best Small Coastal Towns in America by USA Today. Its harbor and some homes date back to the mid-1600's, and is home to the Chesapeake Bay Maritime Museum where you can immerse yourself in our maritime history.

St. Michaels is known for exceptional restaurants, from quaint romantic bistros to waterfront restaurants, serving fresh seafood including the best tasting crab cakes! For shoppers, you will find an eclectic range of boutique shops offering specialty foods, jewelry, clothing, home decor and art galleries throughout the town. Come and experience the beauty of St. Michaels and all this charming town has to offer! <https://www.stmichaelsmd.org>

St. Michael's famous Crab Claw Restaurant is located in an area known as Navy Point, the area where The Crab Claw Restaurant stands, was originally a marsh that was filled in with discarded oyster shells. The business started in the 1950's as The Eastern Shore Clam Company which was a clam and oyster shucking house. Local watermen came in daily with their catch of oysters, clams or crabs. In 1965, owners Bill and Sylvia Jones turned it into a restaurant called The Crab Claw which instantly became a St. Michaels Landmark. The Crab Claw Restaurant is still owned and operated by the same family to this day. Included in your tour is a Combo Platter featuring Delmarva Fried Chicken and their award-winning Crab Cake. Your meal is also served with: Hot Rolls, Baked Potato & Green Beans. A choice of coffee, tea (iced or hot) or soft drink and sherbet of the day for dessert. <https://www.thecrabclaw.com>.
