

A Little Taste of New Orleans in Your Neighborhood!

🌸 **Spring is Here!**
Bring a Taste of the "Crescent City"
to Your Next Gathering

Hi Neighbors!

As the flowers bloom and the weather gets beautiful here in Sanford, it's the perfect time to get together with friends and family.

If you're planning a spring brunch, a graduation party, or just a backyard get-together, Crescent City Cuisine LLC is here to handle the cooking for you!

We are a local, family-owned catering business specializing in authentic New Orleans, Cajun, and Creole flavors.

Every dish we serve is made from scratch using recipes passed down through generations—just like my grandmother and parents taught me in the kitchen.

We love serving our Central Florida community and want to help make your springtime events extra special (and delicious!). From zesty seafood to our signature home-style comfort foods, we bring the soul of NOLA right to your front door.

We're currently booking for:

- Family Reunions
- Graduation Parties
- Neighborhood Block Parties
- Small Home Gatherings & Celebrations

A Little Something Extra: Since we love our local neighbors, mention you saw this post when you book an event for 15+ guests, and we'll include a complimentary tray of our favorite seasonal appetizers to get the party started!

Let's Chat! We'd love to help you plan your perfect spring menu. Check out our latest specials or send us a message to see what's cooking this week!
