Dear Folks,

It has been some time since I have written, I intend to write several times this week.

I received two letters a while back one written by Daddy and one by Mother. I did not get the package you mentioned - it didn't follow fast enough.

I bought a new fountain pen - it is a waterman's - the first fine point I have ever had - needless to say a broad point suits me better as I can sprawl it out better.

Going on a feet is not as bad as I had thought it might be - of course it is much slower and somewhat less comforting than by air.

Strange as it may seem but, I like this O.K.

I will write everyone when and if we get to a little better place & time - my address is changed a bit -

our trip from Kansas covered several states I hadn't been in before - there isn't but a few now that I hadn't been in - We had a twelve hour pass while we were in Kansas - we really had a good time that night in Wichita - and glad we did for that was our last free night in the U.S.

Love,

Robert
