Dearest Family,

We now have two baseball diamonds and have received some more athletic equipment from the United States.

We get one food parcel a week. British, Canadian, and American parcels are alternated. The American parcels have American cigarettes and English cigarettes augment the British and Canadian parcels.

The Y.M.C.A. sends a phonograph and some records to the camp here and we really enjoy listening to them.

I am in good health, getting plenty of exercise and rest.

Give my love to all of the family.

Urge Tom Williams and Milton to write - I will write them a card soon to the home address.

Take care of yourselves and do not worry on my account for I am doing alright - Love

Robert L. Taylor
