Dearest Folks,

I am still in good health and sincerely hope all of you are the same.

We have new supply of books in the library now that are very good. Most of our time is spent reading, sun-bathing, and exercising.

I am learning to sew a bit as we attempt to fashion ~~shirts~~ out of odds and ends. Quite an education!

Think of me when you go fishing - I go on mental fishing and hunting trips on every pretty day.

I would like to have good boat built for me by fine. I get home something on the order of Chuck's last boat, but built for an out-board motor.

I think of you daily - Love
Robert
