Dearest Robert,

The first of this month Mother very gratefully received two letters from you dated Feb. 6th and Feb. 21st. Getting those letters, learning that you are well, helps us lots. Those cakes you make must be delicious. At a later date you must make me a devil's food cake to repay for those I used to make you and Duna. Bet I couldn't make one now!

Mary Derrick has gone to Chicago to get her a job. Aunt Bess may make a visit to Texas. You remember Aunt Bess and her last trips to Texas. Ha! (I had to change typewriters or hadn't you noticed?) Mother said that Jack and Mary Lou came by to ask about you. Jack has been in the hospital for 14 days with his appendicitis. He is better now. Mrs. McGough goes by to visit with Mothers lots. They talk about you, me, Billy and Brud.

Young Jack Townley married a girl in California last week. Frances Mayberry married a fellow in Arizona and Fern Mayberry was there for the wedding. Constance phoned Mother that she was ready and waiting. She wants a girl and Loren wants a boy. D. e. France and Billy Joe were home recently on a visit. Dr. Magee died last week. Paul Jr. is finishing up in Mississippi. I hope he gets to go home for his first visit since he left in January. George Dean is writing love letters to Marjorie Riddle. He said that he had not seen his wife in two years and hoped that he never would. Same old George. I have never heard from Bill Warren, who

I fell in love with last October. I keep hoping.

Brud will finish up in Jan. and wants us to get  
married. Maybe I will. Henry Meadows, Jr. is now  
in Leone's town and sees her occasionally. Leone  
continues as of last year. Thank you for your  
birthday greetings and we are wishing you the very  
best for your birthday. I think of you lots and  
wonder how your contract bridge is coming along.

All of the family are well. Mother has not selected  
hearing aid, but I'm still trying. Love - Louise F.
