Dearest Robert:

I have just mailed your third set of tobacco labels.

I do hope you have received some by this time, also some letters. We have only received two letters and one postal from you. The last was dated Feb. 21st. We are hoping to get some more word real soon so we can send your third family package containing the articles you need and wish for most. Mother and I are well. Tiny is gadding about some. He left Gulfport Miss. We had a letter today, he saw Shrevesport, San Antonio, Houston, and will wind up in San Francisco. We have had some warm weather but a rain came last night, which will cool things off some. Grandmother and Daddy are doing nicely and I am planning on visiting them sometime next month, but I wish to hear from you and "Possum" before going. Ellis Benham is home from Denver and will go to Texas A & M. The two young night owls did not make it home at the same time. They sure wanted to. Chunk McCurdy is still in Stamford. He and all your friends ask about you. I have told them all to write and gave them the latest instructions. I have just heard that Constance and Loren Griffin have a 10 pound baby boy, Loren was not present for the event. Hope this finds you well and in good spirits. A ll out love to you.
