Dearest Mother and Daddy,

I have received six letters so far and all of them this month. Everyone's letters get here except yours although there is news of you in the letters I do get. Six cartons of cigarettes and two cartons of pipe tobacco have come in. The clothing parcel has not come in yet.

Riley and Mulloy have received mail and a package each.

We are getting a few fresh vegetables from our garden now such as carrots, lettuce, radishes, and beets.

Some of the officers in my room have received packages that had dried fruit in it and we have made some delicious pies and cakes.

I am in good health and fairly patient.

Love to all,
Robert
