Dearest Robert,

Last week Mother received the letter that you had written in April. I guess soon we'll get some letters written in March as we haven't yet. So glad you are well. In April Mother started corresponding with Font's wife who had written first. Upon receipt of your letter Mother wrote her again.

Brud was here again last week-end coming over from Maryland. We had fun. Went swimming at Glen Echo, an amusement park near by. The pool is nice reminding me of Stamford, but quartered off is another section with the nicest and whitest sand. That is where most people stay.

I got a pretty good burn and just maybe I'll get a tan out of it.

Faye Martin came home from California to see Duna. Duna graduated and left immediately for San Francisco. He passed through our state going through Houston and El Paso. Sure wish he could have gone home on a visit. Ellis is taking a course at A&M. Donald Cherry is over here in Virginia in school. The Calhouns are moving back from Calif. as the climate does not agree with Mr. Calhoun.

Virginia Johson of Lueders visited the Fraters for a week, but Charles was not there, just the parents. It must be stylish as Harold Fletcher's girl from Oklahoma visited the Fetters for a week, although Harold is in N.Y. Hospital for treatment. Delma Shelburne, wife and daughter have moved back to Hamlin. The Campbells (the red headed agricultural instructor) has moved away. Cecil Sellars and

Clara Louise and their son, Cecil Jr., were home on a visit.

Margaret Sellars has gone to Arizona to marry some young
squirt. Mrs. Magee heard that Billy J. Bryant is married.

Nadine Morgan is home now. She has the cancer, but all
hope she can be cured in time. No one acts like they know
what her illness is for her sake. For a week Pauline has
company. Grace, Joe Wallace Jr., Roy Lee and LaVerne are
here visiting. Tonight I'm going out to their apartment
for dinner. Be sweet. We are all well. Love you, Louise
