Dearest Mother and Dad,

Very little mail has come in the camp the last few weeks, consequently no letters from home to get over.

Let little brother know I am thinking of him on his birthday.

The theater is presenting a combination orchestra and glee club exhibition this week. Everyone is looking forward to all such types of entertainment.

In the near future another addition of library books by the Y.M.C.A. is expected. The library has been an exceptionally good in selections for its variations. It has been the best comfort to me for I have read about two hundred books so far.

Riley finally got the telegram with the information that Helen had a bouncing baby boy. Hurray!

I am in good health and spirits -
I think of you every day -

all my love,
Robert
