Dearest Robert,

This week Mother received the card that you wrote Easter morning saying spring was in the air. We get it when fall is in the air here with cool breezes. Very glad to hear you are well. Mail from you is a wonderful medicine, which cures what ails us!

Mrs. Harden phoned Mother that two cards from you had come for Tom. She was so excited and said that she would send them on to him. I heard from Shirley Barnes this week. People in her line of work are being released, but so far she is still working. She wants to know how old you are. Shall I tell her the truth or make it the distinguished age of 27?

Mother enjoyed her trip to Temple. Lewis's children are very pretty, with great big blue eyes, and they are 6 and 4 respectively. I'd like to see them. Dovie Meadows is working at the canteen there in the city and is having the time of her life. Little Eleanor goes to eat lunch with Davis, so she can meet the boys. Aunt Eva is well and is working there in a hospital. Uncle Henry took Mother to the farm one day.

When Mother returned Daddy went to Thorp Springs to visit his folks. He rode with some folks going to Fort Worth and was to stay a week. Last week Duna began his haunts in Brud's old area. I guess I'll have to keep my hat on the wall here till one of my brothers come home, then I will tear out for Texas too. Let us make it soon!

On Sunday one of the girls in the house got the key to her friend's apartment for the day. So we stocked up on groceries, so we could eat and eat. That we did!
