Dearest Robert, Your birthday is just around the corner and we will be thinking of you. We will celebrate in a big way at a later date.

Harold Fletcher's girl visited in Hamlin for two weeks, then returned to her home in Arkansas. Soon she left for Chicago to meet Harold and they were married. The folks were surprised. John Henry Vaughn is trying to marry Joan Culber-son. Mr. Exell died of a heart attack and was burried. Then

Ted Bledsoe died and they are trying to contact J. C. on the west coast. Mother gave me the news that Buck Bender rides no more. That happened quite recently also. Speaking of Tarleton, Dear Davis sent us a nice letter, reminding us

that he is finishing up his 25th year there. I'll quote what I can to you. "This campus is probably the most beautiful campus I have ever known or seen. It is poorly kept now though. Formerly students sought work as student laborers. You will be surprised to know now that no students want to work and the attendance is very small. We cannot get the power machinery needed and we do not have students who need work, therefore we have brought the sheep from the College Farm onto the campus to help keep the grass down. The sheep are doing a good job of it too. They are kept on the athletic field at night; in the day we keep them on the drill field. We are now running on a three-semester basis, completing three full semesters during twelve months. Students do not have much time for work if they carry a full college load. But, by running three full semesters within twelve months, we have discovered that nearly all the high school graduates can finish. The three sections of the class of 1943

established a beautiful granite memorial to you all. It is

right in front of the Administration Building. You will
be interested to see it when you come back.

Last week-end Barbara came down from Philly. On Sunday
we rode eighteen miles on bicycles. I guess we did not know
our own strength or else that glass of ovaltine really fixed
us up! Ha! At the movie this week I saw Horace Heidt and
his musical knights on the stage, from which I really got
a buzz. Mother mailed you our second package on August 1st.
We hope you are well as all is fine with us. Love - Louise
