Dearest Robert,

John is leaving next week and Pauline wants to stay here for awhile till things are more decided. So she asked me to move over to live in the apartment with her.

It is in another part of town and is really away from everyone I know; but I thought that it wouldn't hurt me to move and it will help her. The girls at the house had a fit when I told them that I was going. They will miss my radio, record player, and electric iron. Ha!

One good thing is that John is leaving the car here.

Pauline can not drive, so I will be her chauffeur.

Recently all of the Hudson family were home. Paul and

his wife, Alvin and his wife, Floy and her husband and baby were there. Thad Harden is home on a three months rest and he may be returned to his old status. The leg that he broke last year is not healing as it should. M. Y.

Wilson's wife had a baby girl at her home in Georgia. Since April there has been no word from M. Y. Stanley married his college sweetheart from North Texas State Teachers' College in September. They say that she is very pretty.

Aunt Luia and Carol are still in Hamlin visiting the folks. Dean was supposed to have come after them last week, but Uncle Roy was in the hospital as he is having trouble with his back. He is better now. Dean may go by Wichita Falls and pick up Leone on Friday night and drive on to Hamlin.

Last week at the theater I saw Sammy Kaye and his orchestra. Swing and sway with Sammy Kaye! It was very good. You would have enjoyed it too.

Last Sunday Dorothy Gardner came to the house to see

me. She and a girl from San Antonio transferred up here. They are living in Arlington, Va., which is just across the river. Dorothy said the only one left in San Antonio was Faye and remarked that you were lucky when the Fowler-Barton affair broke up. Tootsie Reynolds is working in Fort Worth now. Katherine will join Dorothy here next summer, and would have come now, but she has signed her contract to teach school in Hamlin this year. Dorothy is coming out for dinner with me tonight. All is well. Love
Louise
