Dearest Mother and Dad,

I received three letters last week from you and Louise dated in July, August and September 1st. Three family parcels in all have arrived in fair condition. Two pipe tobacco and one Cigarette parcels in all have come in. All the food, candy, chewing gum and saccharin tablets are very welcome. The powdered eggs and rice are excellent.

Phonograph record packages are coming to some officers containing new tunes to many of us. They are a rare treat.

I received the pictures of Linda Lee. Photographs of all the family would be greatly appreciated.

We have a touch football Conference. It is a continuation of our sand lot days when we were children. No pads or equipment are used, therefore bruises are frequent. I'm looking for cigars before Christmas.

Please send my love to Louise and Junior - I am still O.K. Love you,
Robert
