Dearest mother and Dad,

We have had a light snow, just enough to remind  
us that Christmas is around the corner. I haven't  
received mail in about a month and it has been  
nearly two months since the last package came in.  
Send my love to Louise and Junior. I am still  
in good health. Love to all - Robert

No other mail rec'd, until he was liberated:  
in May.
