MARCH 26, 1945

Dearest Mother and Daddy,

I received a letter from Louise dated Nov. 15 and one dated Dec. 8<sup>th</sup> from you and Louise. It is the first mail I have had in two months.

All the news is welcome and I am exceedingly glad that all are well at home.

Yes, I suppose I will be considered "little brother" as Junior now weighs 160 pounds for I don't come near that. I will more than glad allow you to stuff me with food when I get home, which should be soon.

Very few parcels have come in the Camp lately. Of course we are expecting some daily. Book parcels are also slow in transit.

Sometime ago, I met a boy here by the name of Emerson. His parents live on Route 3. He

and I have mutual friends all over, but most of them in Anson.

It must be comforting to hear from Junior every ten days.

Send my love to Louise, Junior and all the Kinfolk.

Love -

Robert
