Grammy Rose Dog Sanctuary & Dog Rescue

Saturday July 25th

(Rain Date Sunday July 26th)

Caravan Details, Itinerary, Rules & Directions

Today's trip miles awarded: 100 points

Event Summary: We're going to the Dogs on this one!

This one has us very excited! As who doesn't love puppies! So, tucked away in the western part of Maine is the Grammy Rose Dog Sanctuary and Rescue and, we are honored to have both clubs travel to the Grammy Rose campus and spend a little time around the staff, the friendly residents (the 4-legged ones) and the invited public!

Both clubs will caravan from separate starting points and come together in *Acton, Me* at the beautiful Campus for our visit. We will arrive around 10:00 AM and then set up and display our cars from 11:00-2:00.

At our starting points, both clubs will be holding a special 50/50 raffle. Instead of the SONHC raffle going to the year-end celebration drawings, All Proceeds will go directly to the Grammy Rose Rescue! The drawing will be held at the conclusion of the public car show at 2:00 PM

Also on the very last page is a QR code for anyone (attending or not attending) who would like to help out the Grammy Rose Rescue by helping provide much needed supplies!

During our visit, members can enjoy the campus cabins filled with the stars of the show, the Puppies looking for their forever homes! Play a round on the mini-golf course and browse the Onsite merchandise store. There will be a food truck (Gringo's Food Truck out of Wells, ME) on premise and... here's the 2nd best part of the day.... there's an Ice Cream Shop right on campus! So pack your chairs, and cooler and plan on having a great day both traveling to and upon arriving. And know you are helping out a very worthy cause... and who knows... maybe you'll find your newest 4-legged family member to bring home!

Starting Location & Time: *There are two for this event: One for each club.*

Have lots of fun, be safe! And we ask that you take lots of caravan pictures during the journey and at the lake!

Below is the list of rules and they are in place to ensure everyone has a safe and enjoyable ride experience! Do not glance over them; be aware of each rule and your responsibility in following them! **Our ride participant's safety and the safety of the drivers and pedestrians we encounter must always come first!**

SONHC Carvan Rules & Safety Guidelines

1. If this is your first caravan, be cautious and stay alert! Be aware of the car in front of you at all times **DO NOT GET SPREAD OUT, but leave enough distance between your car and the one you're following!** Remember, it's a procession not a race! Also try and know if the car in front of you is an automatic or a standard, as those of us with standards don't always use the brakes alone to slow the car!
2. **USE YOUR TURN SIGNAL AT ALL TIMES!** Every Car, Every turn! Cars as close as three back from the ride leader will not be able to see the leader's turn signals and it's imperative that you help out the riders behind you by giving them a heads up! use your turn signals!
3. **Be considerate of all your fellow Corvette's,** No burn outs, engine revving or any behavior other than, us all behaving like choir boys and girls on our first day of drivers Ed!
4. **There is never any passing within the Caravan and we'll try and stay close to the speed limits at all times!** We'll be traveling lots of main two-lane roads and back roads and should encounter just a few city streets, however if we get separated by stop lights, The group leader will pull over at the first safe place large enough for the waiting cars to stop and remain waiting till everyone gets through the lights. **DO NOT RUN traffic lights!**
5. **If at any time you encounter a problem,** go ahead and pull over and the caboose car will stop and check on you and the caravan will continue and you can catch up at the next scheduled stop.
6. We will use *channel 5* for anyone bringing their own radios. **If you get separated, don't despair,** as the group will pull over and wait for you as soon as there is a safe location to do so.

7. **When you pull over to the side of the road, stop with your wheels turned out towards the road so that when you see it's all clear to proceed, you can pull back into formation quickly. Look for the car behind you to enter back into traffic and proceed in front of them! The caravan goes back into traffic from the back to the front! If we stop, do your part and pull off the side of the road and watch behind you for the cars to pull back into traffic. **We always enter back into traffic from the back of the caravan to the front!****
8. **Remember you are always representing our SONHC club, so please always be courteous and respectful to anyone and everyone you may encounter. Our reputation is always on display!**
