

Hart's Turkey Farm Caravan, Saturday November 1st Hooksett NH Service Plaza 10:00-10:30 AM

Trip Details, Itinerary and Directions

Today's Caravan: *Total drive time* should be a little over 1 hour and 30 minutes with 1 stop scheduled along the route. We should be arriving at the Hart's Turkey Farm Restaurant just before 1:00PM in Meredith. Our first stop will be in Guilford, at the *Lowes Home Improvement Store* 1 hour from our departure for a quick bathroom break. From there we will continue our journey to our final destination at **Hart's Turkey Farm**, in Meredith NH. We will be running as one group today!

Starting point: *Hooksett Northbound Service Plaza, Rt 93 NB.* (Furthest parking lot in, by the Liquor store) We ask everyone to please arrive between 10:00-10:30 AM allowing time to mingle, meet others and use the stop's facilities. We are planning 1 stop for the one-hour, 30-minute journey). Upon arrival, we will check you in to acknowledge your arrival and reward you the 50 trip points for this event! After check in you will be able to purchase your 5/90 raffle tickets (\$5 per ticket, \$10 max per couple) **THIS IS THE FINAL OPPORTUNITY OF THE SEASON TO PURCHASE 10/90 RAFFLE TICKETS!** We will hold a very brief meeting at 10:45 AM just before departing to our destination AT **11:00 AM Sharp!** *Radios will be on Channel 5.*

Route: *Our journey* takes across a combination of both main and some beautiful back roads for our indirect route on our last caravan trip of the season. The majority of the roads are in excellent shape with one exception. Part of Rt107 in the beginning has a few rough areas. But no worse than roads we traveled before. We have one 20-minute stop scheduled at *the Lowes Home Improvement Store* in Guilford to use their facilities.

Arrival: The restaurant has two very large parking lots and we will be utilizing whichever one allows us to park together, preferably the one before the restaurant.

Lunch: Hart's Turkey Farm. The world-famous home of the Turkey Dinner! Hart's is aware of our **1:00PM** visit and will seat us at a combination of table sizes. The full menu will be available (menus enclosed on page 4) Each party is responsible for their own food tab and gratuity. If the service and food is excellent, remember to please tip them well!

After Lunch: We will attempt to get a couple of group pictures outside the restaurant before we start our departure home. We have two options to return home. We can take Route 104 over to Rt93S for the quickest route home, or we can retrace part of our journey and take Rt11 over along lake Winnepesaukee through Alton Bay and return home on Rt28. We can decide after lunch which way the group would prefer to go based on time of the day. On Rt104, the ever-present required Ice Cream stop always looms at Maple Creamery in New Hampton!

NOTES

1. Hart's Turkey Farm is expecting our arrival around 1:00 PM
2. We will be seated in groups at separate tables the restaurant
3. Dress appropriately as the daytime temp's are expected to be in the mid 50' s
4. Sharon's Cell Phone is 603-402-6820 if you are unable to reach us via radio

Have lots of fun, be safe! And remember to please take lots of pictures on the journey!

Rules & Safety Guidelines

1. If this is your first caravan, be cautious and stay alert! Be aware of the car in front of you at all times **DO NOT GET SPREAD OUT, but leave enough distance between your car and the one you're following!** Remember, it's a precession not a race!
Also try and know if the car in front of you is an automatic or a standard, as those of us with standards don't always use the brakes alone to slow the car!
2. **USE YOUR TURN SIGNAL AT ALL TIMES!** Every Car, Every turn!_Cars as close as three back from the ride leader will not be able to see the leader's turn signals and it's imperative that you help out the riders behind you by giving them a heads up! use your turn signals!
3. **Be considerate of all your fellow Corvette's,** No burn outs, engine revving or any behavior other than, us all behaving like choir boys and girls on our first day of drivers Ed!
4. **There is never any passing within the Caravan and we'll try and stay close to the speed limits at all times!** We'll be traveling lots of main two-lane roads and back roads and should encounter just a few city streets, however if we get separated by stop lights, The group leader will pull over at the first safe place large enough for the waiting cars to stop and remain waiting till everyone gets through the lights. **DO NOT RUN traffic lights!**
5. **At our designated stops, remember to pull all the way into any parking area** as quickly and safely as possible to get the stopped cars behind you off the highway. Due to the size of our groups, every stop will take time to get everyone off the Highway! Always try and back into your parking spaces as it makes it easier when we leave the location.

6. **If at any time you encounter a problem**, go ahead and pull over and the caboose car will stop and check on you and the caravan will continue and you can catch up at the next scheduled stop.
7. We will use **channel 5** for anyone bringing their own radios. **If you get separated, don't despair**, as the group will pull over and wait for you as soon as there is a safe location to do so.
8. **When you pull over to the side of the road, stop with your wheels turned out towards the road** so that when you see it's all clear to proceed, you can pull back into formation quickly. Look for the car behind you to enter back into traffic and proceed in front of them! The caravan always goes back into traffic from the back to the front! If we stop, do your part and pull off the side of the road and watch behind you for the cars to pull back into traffic.
9. **DO NOT EVER TAKE OFF IN FRONT OF THE GROUPS LEAD CAR!** Unless you are leaving the caravan and heading straight home!
10. **Remember**, you are representing **SONHC** and as such we ask that you always be courteous and kind to everyone you encounter during our caravans and events!

Directions
