Trip Overview

Our Journey:

Thursday Morning: We'll start off meeting at two central locations (TBA) One for each of our SONHC & SOMEc members who will be coming along. We will then bring both groups together and start our journey west towards NY!

This journey will take us across mostly all main roads, but we will try and avoid toll Roads and highways whenever possible! We head out through Bennington Vermont and then on to Albany, NY with our Thursday night stop over happening somewhere just past or around the Albany area. After our hotel check in, we will gather to have dinner together for those wishing to join us.

Friday Morning: We will depart early Friday morning after checkout and breakfast. We will drive straight through to Watkins Glen, arriving late morning. We will check into our (TBA) hotel as soon as possible and everyone will have some free time to enjoy some of the attractions in the

area on their own. (see list below) Around 3:00 we will gather back at our hotel and go straight to the Meet and Greet together for the 4:00PM arrival at the *Lake Seneca Events Center*. Upon completion of the Meet and Greet at 9:00PM everyone is on their own to do as they like.

Saturday Morning: We meet for an optional breakfast or everyone is free to explore more early morning attractions on their own. We will reassemble at 10:00 AM to head down to downtown Watkins Glen for the start of the Corvette line-up show on Franklin St. It's imperative that we travel there together to be able to display the cars collectively as a group. We will conclude the day's activities with our time out on the Watkins Glen Track.

Sunday Morning: We will check out and meet for an early morning breakfast, then start our departure for home. We will have an optional lunch stop for those who wish to join us in Bennington, VT. enroute.
