This is **WX5ARC**, net control for the Montague County Amateur Radio Club Practice Net . I will now take check ins from club members and guests at this time. All Check-ins will use their call sign suffix using ITU phonetics to check in when called.

We begin with CHECK-INS from ECHO LINK OR ALLSTAR Alpha through Zulu. *[Allow time for these check ins and the repeater to react.]*

I will continue now WITH REGULAR FM 2M CHECK-INS. All Check-ins will use their call sign suffix using ITU phonetics to check in when called.

Alpha thru **E**cho,
Foxtrot thru **J**uliet,
Kelo thru **O**scar,
PaPa thru **T**ango,
Uniform thru **Z**ulu

This is **WX5ARC**, net control for the Montague County Amateur Radio Club Net, looking for additional check-ins, Alpha thru Zulu, Echolink or FM 2m over.

Go to Round Table for Comments and Discussions.

Call stations in order of check-in for comments.

Are there any comments, queries or late check-ins at this time?

Ask if there is any ham equipment to be sold or traded, or anyone looking for anything special or needed. (No monetary values will be listed) Get phone numbers as necessary.

I will now close the Montague County Amateur Radio Club Net and return the frequency to normal amateur use. I want to thank everyone who checked in tonight and 73 to those who checked in and listened in. This is WX5ARC_, clear.
