

Dakota Trails Clubhouse Addition/Remodel Fundraiser

Dakota Trails plans to expand the clubhouse in the Fall of 2024. To get the expansion underway, we are renewing our fundraising efforts. As a part of those efforts, we will be selling customized golf balls to be placed inside the new bar top. If you would like to purchase a golf ball, please fill in the following form neatly with your customization in the spaces allowed and we will get a golf ball engraved for you.

If you would like to provide your own ball, the new bar top would be the perfect place for you to store sentimental golf balls, such as hole in one ball, or to honor a lost loved one. They can also be used to promote your business, or just to show support for the course. If you have questions, please call one of the Dakota Trails Board Members. Jay Spaans-605-530-3683 or Mike Neugebauer 605-999-8672.
