

Consulting Services

Strong Futures Collective also works alongside teams and organisations through:

- Practice and capability reviews
- Case-practice reflection
- Policy and procedure review
- Cultural framework development
- Cultural governance development
- Leadership capability development
- Aboriginal workforce environment reviews
- Implementation support

ACKNOWLEDGEMENT

Strong Futures Collective acknowledges Aboriginal and Torres Strait Islander peoples as the First Peoples of this continent and recognises their enduring connection to Country, culture, family and Community. We pay our respects to Elders past and present.

Training and Learning Experiences

Designed to challenge assumptions and develop practical capability.

ABORIGINAL-OWNED. ABORIGINAL-LED.

Learning that moves beyond awareness

Strong Futures Collective provides learning experiences designed to challenge assumptions and develop practical capability.

Our learning creates opportunities to think more deeply about culture, practice, relationships, decision-making and the experiences of Aboriginal children, families and communities.

Knowing isn't always enough.

Featured Learning Areas

- Cultural Hierarchy of Needs
- What Makes a Child Belong?
- Who Wrote This Family?
- Who Do You Believe?
- Good Isn't the Standard

DELIVERY FORMATS

Facilitated • In-person • Blended
