APPEAL

The Department of Microbiology, B J Government Medical College and Sassoon General Hospitals, Pune, is hosting **"The 52nd Annual Conference of the Research Society of BJ Government Medical College, Pune"** on **19th and 20th November 2025**. The conference will be attended by faculty and students from all medical colleges and private hospitals in Maharashtra, India, and abroad. We are expecting 1500 delegates for the conference. The Research Society of BJMC & SGH, established in October 1968 by a dedicated group of doctors at Sassoon General Hospitals, has a rich legacy of fostering clinical research and academic collaborations. What began as small interdisciplinary meetings has today grown into the esteemed tradition of the annual conference. The theme of the conference is, **"Infection, Immunity and Genomics: Pioneering Precision in Patient Care"**.

The conference will attract many medical research papers and will also have many stalwarts in the field of Medicine, who will share their expertise with the attendees. The conference will be preceded by various hands-on workshops on **18th November 2025**.

Your association will be appreciated in the form of support for a Programme/ session.
