

A guide for planning your visit to local artist studios, public art, and galleries in the Mahone Bay area.

MAHONE BAY & AREA ART RESOURCE GUIDE

Support Living Artists

Nova Scotia's artists bring our province's stories to life through craft, colour, and creativity. Their work reflects the heart of Atlantic Canada, and taking home a locally made piece lets you carry a memory of Mahone Bay with you.

Supporting local studios—whether by purchasing art, leaving a Google review, or sharing your experience with others—helps sustain the vibrant creative community that shapes our culture.

As you explore the Mahone Bay area, you'll discover fine art and handcrafted treasures that celebrate our history, traditions, and the welcoming spirit of this coastal town.

Explore the self-guided studio tours that coincide with four annual events:

-  **SPRING:** Home and Garden Tour
-  **SUMMER:** Bluenose II in the Bay and Regatta and RAFT-UP
-  **FALL:** Scarecrow Festival
-  **WINTER:** Father Christmas Festival
