

» AFFORDABILITY

From MSU's affordable tuition to academic scholarships, you will receive a quality education at a great price. Rest assured that your degree from MSU Texas will be an outstanding investment in your future. Special discounted tuition rates are available to international students. Students who earn at least \$1,000 USD in academic scholarships are eligible to be considered for a competitive waiver, qualifying them for our lowest tuition category, in-state Texas resident tuition.

- **Great Housing Options** International students are eligible for discounted campus housing during their first year, or have the ability to live off campus.

» INDIVIDUAL ATTENTION

At MSU Texas we are focused on helping YOU achieve your goals. Whether it's the supportive Global Education Office, an active international alumni network, or professors who love to mentor and teach, we recognize that you have goals and aspirations. With our small classes and caring staff, you will not be lost in the crowd.

» IMMIGRATION

Once admitted to MSU Texas, a representative from the Global Education Office will contact you about next steps to study in the United States. A representative will assist you in this process, from outlining financial requirements for a Form I-20, to how to apply and prepare for the F-1 visa process and interview.

» NOT TOO BIG, NOT TOO SMALL!

Ask any of our students what they love about MSU Texas and they will tell you that they love the size. It's big enough to meet their needs, yet small enough not to be overwhelming. With more than 100 student organizations, including a strong Caribbean Student Organization, you will feel right at home!

» GREAT ACADEMIC PROGRAMS

With more than 60 majors and several pre-professional programs, you will find an area of study that fits you. We have strong programs in the arts, humanities, sciences, and social sciences. We also offer accredited professional programs in mechanical engineering, social work, nursing, radiologic science, respiratory care, athletic training, and business, among others.

GET STARTED

❑ STEP 1

Submit your application at www.applytexas.org

❑ STEP 2

If necessary, have your non-U.S. high school or college transcripts evaluated by a NACES member, or AICE member. More specific information can be found on the Global Education Office website, under the official transcripts information.

❑ STEP 3

If necessary, request all official test scores from respective testing institutions to be sent directly to MSU Texas.

❑ STEP 4

Follow up with any additional requests sent to you from MSU Texas!
