This manual outlines the policies and procedures that govern our tutoring services.

2). Session Scheduling: Sessions can be scheduled either on-site at our designated tutoring centers or virtually via our online platform. Students are required to schedule sessions in advance through our online booking system or by contacting our administrative staff. Session availability may vary based on tutor availability and center capacity.

4. Code of Conduct: Students are expected to conduct themselves respectfully and responsibly during tutoring sessions. Any disruptive behavior may result in termination of the session and potential suspension of tutoring privileges.

5. Parental Involvement: Parents are encouraged to actively participate in their child's learning journey by providing support and reinforcement at home. Regular communication between parents and tutors is essential to ensure the student's progress.

6. Confidentiality: All information shared during tutoring sessions, whether on-site or virtual, is strictly confidential and will not be disclosed to third parties without consent.

7. Parent Registration and Waivers: Prior to the commencement of tutoring services, parents/legal guardians are required to complete a registration form providing necessary contact and student information.

Additionally, parents/legal guardians must sign appropriate waivers acknowledging their understanding and acceptance of our policies and procedures.

8. Feedback and Evaluation: We welcome feedback from both students and parents to continuously improve our services. Periodic evaluations will be conducted to assess the effectiveness of tutoring sessions and identify areas for enhancement.

9. Safety and Security: For on-site sessions, we maintain a safe and secure environment for all students and staff, adhering to local safety regulations and guidelines. Virtual sessions are conducted using secure online platforms with measures in place to protect student privacy and data security.
