MEET YOUR AGENT

HI, I'M ARIEALGLENN

I am so excited to have the opportunity to help you navigate your way through the home buying process. First, let me introduce myself and share a little bit more about myself.

After earning a B.S. in Science from Stillman College and having a career as a Licensed Cosmetologist, I understand the concept of working hard to gain the materials needed for success.

Growing up in Georgia, my family had the opportunity to live in different cities and experience different cultures around the metro area. To some, constantly moving around might be a setback, but it allowed me to appreciate the process of home ownership. Being a wife and mother of three beautiful children, I understand the challenges that life has to offer.

A Oasis Realty Group, Brokered by Keller Williams of Tuscaloosa, we together are passionate about helping our community thrive, may that be through educating the community or volunteering our time to help better our When I am not spending time with family, i am diligently spending time researching about more Real Estate opportunities for my clients.

THE HOME BUYING PROCESS

Steps to Finding Your Dream Home

Where to Start

- » DETERMINE HOW MUCH YOU CAN SPEND
- » SAVE FOR A DOWN PAYMENT
- » CHECK YOUR CREDIT
- » GET PRE-APPROVED FOR A HOME LOAN

BUT 1ST, GET PRE-APPROVED!

Be Ready to Make an Offer

House shopping is an exciting time!

*Get pre-approved for a loan first so you can be ready
To make an offer when you find a home you love.*

PRE-QUALIFIED VS PRE-APPROVED

Pre-Qualified

In order to be pre-qualified, a lender may or may not check your credit score and won't require documentation, only going off what you tell them. This will give you an idea of what you could qualify for, but when you're serious about buying, you'll need to get pre-approved.

VS

Pre-Approved

To be pre-approved, the lender will pull your credit and ask you for documentation to verify your finances. Before making an offer on a house, it is best to get pre-approved to show sellers your offer is serious and that a lender has already approved you for enough money to purchase the home.

MORTGAGE GUIDE

QUESTIONS TO ASK

When Choosing a Lender

Not all lenders are the same.

The type of loans available, interest rates, and fees can vary. Interviewing lenders is an important step in determining what type of home loan is best for you.

QUESTIONS TO ASK LENDERS

- » Which types of home loans do you offer?
- » What will my interest and annual percentage rates be?
- » Do I qualify for any special programs or discounts?
- » What estimated closing costs can I expect to pay?
- » What is your average loan processing time?

HOUSE HUNTING TIPS

Tips for Finding Your Ideal Home

Investigate the Area

Drive around neighborhoods that interest you to get a feel of the area, how the homes are cared for, what traffic is like, etc.

Ask Around

Talk to family, friends and co-workers to see if anyone might know of a house for sale in an area you're interested in. One of them may even know of someone that's thinking about selling but hasn't put the house on the market yet.

Keep an Open Mind

Finding your dream home isn't always an easy task! Have a priorities list but keep an open mind when viewing houses.

Take Pictures & Notes

When you visit multiple houses it gets difficult to remember specific details about each one. Take photos and notes while touring houses so that you can reference them later when comparing the properties that you've seen.

Be Ready to Make an Offer

When you find a home you want to buy, keep in mind there may be others interested in it as well. Be ready to make a solid offer quickly in order to have the best chance at getting that home.

MAKING AN OFFER

Factors that can Make an Offer More Enticing

When we have found a home that you're interested in buying, we will quickly and strategically place an offer.

PUT IN A COMPETITIVE OFFER

We will decide on a reasonable offer price based on:

- Current market conditions
- Comparable properties recently sold in the area
- The property value of the house
- The current condition of the house

PAY IN CASH VS. LOAN

Paying in cash versus taking out a loan offers a faster closing timeline and less chances of issues arising, making it more appealing to sellers.

PUT DOWN A LARGER DEPOSIT

An offer that includes a larger earnest money deposit presents a more serious and competitive offer.

BANK INFORMATION

Include your pre-approval letter with your offer can give you an advantage over other offers by making yours stand out from the rest.

OFFER A SHORTER CLOSING TIMELINE

An offer with a shorter timeframe for closing is generally more attractive to sellers over one with an extended time period with a house sale contingency. A typical closing timeframe is 30-45 days.

OFFER ACCEPTED!

What's Next

Once the seller has accepted your offer, both parties sign a sales agreement and you're officially under contract.

PUT YOUR DEPOSIT INTO AN ESCROW ACCOUNT

Your earnest money deposit will be put into an escrow account that is managed by a neutral third party (typically a title company or bank) who holds the money for the duration of the escrow period. They will manage all the funds and documents required for closing, and your deposit will go towards your down payment which is paid at closing.

SCHEDULE A HOME INSPECTION

Home inspections are optional but highly recommended to make sure that the home is in the condition for which it appears. Inspections are typically completed within 10-14 days after signing the sales agreement.

RENEGOTIATE IF NECESSARY

The home inspection will tell you if there are any dangerous or costly defects in the home that need to be addressed. You can then choose to either back out of the deal completely, ask for the seller to make repairs, or negotiate a lower price and handle the repairs yourself.

COMPLETE YOUR MORTGAGE APPLICATION

Once you've come to an agreement on the final offer, it's time to finalize your loan application and lock in your interest rate if you haven't done so already. You may need to provide additional documentation to your lender upon request.

ORDER AN APPRAISAL

An appraisal will be required by your lender to confirm that the home is indeed worth the loan amount. The appraisal takes into account factors such as similar property values, the home's age, location, size and condition to determine the current value of the property.

WHAT NOT TO DO

During the Home Buying Process

It's extremely important to, not, do any of the following until after the home buying process is complete:

BUY OR LEASE A CAR

CHANGE JOBS

MISS A BILL PAYMENT

OPEN A LINE OF CREDIT

MOVE MONEY AROUND

MAKE A MAJOR PURCHASE

BUY OR LEASE FURNITURE

Any of these types of changes could jeopardize your loan approval. It's standard procedure for lenders to also do a final credit check before closing.

FINAL STEPS BEFORE CLOSING

You're Almost There!

Insurance Requirements

Most lenders require both homeowner's insurance and title insurance. Homeowners insurance protects your home and possessions against damage and theft, while title insurance protects the lender and/or homeowner from financial loss against claims regarding the legal ownership of a home. Policies vary so it's recommended to get quotes from multiple companies to compare price, coverage and limits.

Closing Disclosure

At least 3 days before closing, lenders are required to provide you with a Closing Disclosure with your final loan terms and closing costs for you to review. Closing costs for the buyer typically range from 2-5% of the purchase price, which can include lender fees, lender's title insurance, and HOA dues if applicable.

Final Walk Through

Within 24 hours of closing we will do a final walk through of the home before signing the final paperwork. This last step is to verify that no damage has been done to the property since the inspection, that any agreed upon repairs have been completed, and that nothing from the purchase agreement has been removed from the home.

Next Step: Closing!

CLOSING DAY

Congratulations, You Made it to Closing!

Closing is the final step of the buying process.

On the day of closing you'll be going over and signing the final paperwork, and submitting a cashier's check (or previously arranged wire transfer) to pay the remaining down payment and closing costs.

*Property ownership is then officially transferred from
The seller to the buyer.*

ITEMS TO BRING TO CLOSING:

- ✓ Government Issued Photo ID
- ✓ Homeowner's Insurance Certificate
- ✓ Certified Funds or Cashier's Check
- ✓ Final Purchase Agreement
