

DECEMBER 2019

UNDER THE HOOD

With Don Brown Automotive & Transmission

Toys for Tots Collection

'Tis the season to be jolly and generous! Don Brown Automotive & Transmission is excited to be a Toys for Tots Donation Site this season!

There are a few ways you can choose to help:

- When you bring your car in for service, drop off new, unwrapped toys into our collection box by December 16th.
- Donate online @ToysforTots.org.
- Volunteer at the warehouse or to shop for the families. Email gainesville.ga@toysfortots.org for more details.

Happiness
doesn't result
from what we
get, but what
we *give*.

Customer Reviews

★★★★★
So happy to have found honest mechanics! Friendly and reliable. Matt and Don do excellent work!
Royal T.

★★★★★
Don, Matt, and Betheny are the go to professionals! Great and honest service for my car! Highly recommend.
Johnny T.

★★★★★
Took my Old Super Duty to them and they did a front end alignment on her Great Job. Price was good service top notch!
Thomas H.

Merry Christmas

Winter Driving

You never know what the winter will bring to Georgia! Be ready for whatever winter throws at us by preparing now.

Replace your wiper blades

Wiper blades may start losing effectiveness after about six months. If you notice streaks or missed patches on the windshield, it is a good idea to go ahead and replace the blades. Raise your wiper blades when you park your car at night to prevent the blades freezing to the windshield.

Clear your windshield with an ice scraper

Diminished visibility from ice or snow is not only a danger to you, but a danger to everyone else on the road. Don't use your new wiper blades to clear the ice from your windshield; use an ice scraper to help prevent damaging your blades and clear your windshield faster!

Keep extra windshield washer fluid on hand

With all of the salt residue and dirty slush pummeling your windshield, you are likely to use your windshield washer fluid a lot more frequently. Fill up the washer fluid in your car with fluid that is made for winter with antifreeze properties and keep windshield washer fluid on hand to refill.

Test your battery

Your auto shop or local auto parts store can test your battery for you. Replace any weak batteries now.

Merry Christmas

Winter Driving (cont.)

Check your tires

Make sure your tire treads are in good shape and properly inflated. Drops in temperature make your tire pressure decrease as well. Place a penny in one of the grooves between the tire treads. If you can see the top of Lincoln's head, replace your tires! Check your tire pressure and keep them inflated to level specified for your tires and car.

Flush the coolant (antifreeze)

Coolant breaks down over the years and collects dirt and rust particles, clogging the radiator or heater core, causing the car to overheat. reduces the ability protect the engine from freezing.

Check your heater

Make sure to check your heating system before you need it! Check that the air is directed at the windshield while in defrost mode. To prevent fogging while driving, run the air conditioning system at a comfortable temperature to reduce the humidity in the cabin.

Inspect your lights

Check that all of your lights are working properly and clear them from any snow before driving, not only for your visibility, but so others can see you from ahead or behind!

Merry Christmas

What's For Dinner? By Bethany

Christmas Morning Minis

This is a cheating way to have the next best thing to Chick-fil-a's Chicken Minis ON CHRISTMAS! My kids love Chicken Minis, but Chick-fil-a is always closed on Sundays and Christmas, so here is the next best thing!

INGREDIENTS

- 1 Small Tray of Chick-fil-a nuggets (picked up in advance)
- 2 Packages of Sister Schubert's Parker House-Style Frozen Rolls
- 1 Container of Land O Lakes Honey Butter Spread

INSTRUCTIONS

- Bake the rolls and reheat the nuggets as directed.
- Spread honey butter on top of rolls while warm.
- Stuff a nugget into each roll and serve.
