Cranberry Pepper Jelly Dip
@lifewiththecrustcutoff.com

This is one of the easiest and quickest recipes, yet everyone raves about it! If you don't like cranberries, feel free to substitute another flavor or just use the whole jar of the red pepper jelly instead! It is delicious!

INGREDIENTS

- One regular sized block cream cheese (softened)
- 1 jar red pepper jelly (about a cup)
- Half a can of cranberry sauce (whole berry or jellied)
- Crackers and pretzels

INSTRUCTIONS

- Spread the cream cheese onto a small serving dish.
- Mix the cranberry and pepper jelly together in a bowl.
- Spoon the cranberry mixture over the cream cheese.
- Serve with crackers!
