COACHING – ACADEMIC ASSISTANCE FOR GRADUATE STUDENTS

Sometimes pursuing the dream of higher education can feel overwhelming. Understanding the system and demystifying the dissertation process are two keys that will allow you to get the most from your graduate experience, while also enjoying the process. ATB Evaluation Services can help you by teaching you to evaluate your academic environment, your personal needs, and setting up a road map. We apply several frameworks, such as the Hedgehog Model from Jim Collins to guide you (see figure below). In addition, we can assist you with technical aspects of your dissertation work. Below are some of our services, for more information please reach out and one of our associates will assist you.
