# ABOUT ME

Hi, I'm Elizabeth – a lifelong lover of beautiful details and unforgettable moments. With over 12 years of experience in marketing and producing brand events, I've learned how the right touches can completely transform a space.

After planning my own wedding, I discovered how much joy would come from helping couples bring their dream day to life and bring the finishing touches for all other events.

# OUR MISSION

More than rentals – we create moments.

This is more than just a rental service – it's about creating an experience. Along with our curated collection of décor pieces, we offer styling and planning support to help you bring everything together seamlessly. Whether you need help choosing cohesive details, designing your layout, or managing the flow of your event, we're here to guide you every step of the way. From concept to celebration, we make sure your vision feels beautifully complete.

# BEYOND RENTALS

We offer more than rentals – we bring your vision to life. Our services include:

- Design & Styling Consultation
- Vendor Coordination Support
- Day-of Setup & Management
- Holiday Styling

# SERVICE AREA
