

We now offer diagnostics for your outboard. Just £65 and we come to you.....

- Mercury
- Mariner
- Suzuki
- Yamaha
- Honda
- Tohatsu
- Hidea
- Evinrude
- Johnson
- Parsun
- Selva

Also:-

- Mercruiser Inboard

Our Diagnostic Reader checks for faults and can clear them, stream live data, check engine hours, if compatible, set tilt/trim levels and a wide variety of other checks.

(Prices quoted are for us coming to you, within a 15 mile radius of Plymouth. If you're further afield, please don't hesitate to ask us for a quote.)

Compatible engines will now also be plugged in as part of a service to record engine hours.
