## LaTourette Golf Club

**I apologize for the lateness of the traditional welcome letter. Good thing we're not doing a mailer- this wouldn't get to everyone before Easter.**

**We have new management. Already they've made the range workable with new mats. Hopefully they continue on the course with the same vigor. They're not flipping**

**the nines unfortunately. This should annoy all but one of our members, but it is what it is. We will continue to work with the course and maintain a great relationship so that means we need accurate numbers by no later than Friday each week. You are responsible for clicking yes or no on the GroupMe page each week. The yes is more important than the no.**

**2023 Officers and Board:**

- **Eric Delin, President**
- **James Fareri Jr., Vice President**
- **Tom Aldycki, Treasurer**
- **John Kelly, Secretary**
- **John Pirrone, Paul Demario, Eric Nelson, Andrew Padilla, Vin Dicrescento, Rich Piazza- Board of Directors**

**Dues were a large part of the winter meeting. We haven't adjusted in nearly a decade, but of course the world around us has. We voted to raise dues this year, but we also took into consideration that we did not have an outing last year, so here's the deal:**

**Returning members- Dues for 2024 are \$200**

**New Members- Dues are \$250**

**College dues- \$125**

**Junior members are \$50**

**Weekly Game:**

**We are raising our weekly collection to reflect the rising prices that the city sets each year. We are expecting another increase April 1.**

**Walkers- \$105**

**Riders have become more complicated. Previous years we collected \$20 each for the cart and the course allowed us to subtract one to avoid paying sales tax. That is over. Carts are currently about \$21.80. That number may increase April 1, so.....**

**Riders- \$125 PLUS whatever the tax is rounded up to the nearest dollar.**

**So please, bring change. Collect fives and singles and leave them in your bag or wallet. We have enough trouble paying out each week already and we could really use the exact change each week.**

**The website [LaTourettegolf.com](http://LaTourettegolf.com) will continue to provide all the week's results, schedule, news, pictures, and history for all members.**

**Please familiarize yourself with our local rules located on [latourettegolf.com](http://latourettegolf.com)**

**SIGA:**

**A new two day tourney is being planned for the weekend of July 20-21 at the Lake. More on that later.**

**And that should just about cover it. Again, please mail in your dues check ASAP.**

**As always, this is your club, not ours. If you have any suggestions please talk to one us.**

**Eric Delin and The LaTourette Board of Directors.**
