

BENT TREE NEIGHBORHOOD WATCH

— YOU —

Are the most important part to make our Neighborhoods Safer and more Friendly. Why?

BENT TREE NEIGHBORHOOD WATCH:

- Deters criminal activity
- Builds friendships & bonds with neighbors
- Creates a greater sense of security, reducing fear of crime.
- People look out for one another, building neighborhood awareness.
- Reduces risk of becoming a victim, reduces physical & financial costs of crime.
- Adds to local quality of life & shares mutual interests.

We are the eyes and the ears of our community, our neighbors, our friends.

We don't want to interfere or try to stop activity, merely to watch out and then report to the Sheriff.

When describing something suspicious, be as specific as possible, without putting yourself at risk.

Practice going over visible details with family & friends, using your own checklists.

Is an activity criminal or not? When in doubt, call the sheriff and share your thoughts.

Remember, they have a patrol team dedicated to our community (and Bell Canyon, a gated community).

Add local Ventura County Sheriff to your cell phone quick dial: **805.654.9511**

Log in to **NEXTDOOR/BENTTREE** to keep up to date with neighbors and the Sheriff: <http://bit.ly/BentTreeND>

Contact James Ebert with any questions or concerns: 805.372.1749 - CalBRE # 01932015
