

Johnson Consulting Services LLC puts you first!

As a client of DetroitJCS™ YOU are a priority.

Working together, we develop a plan of success towards your journey to meet the goals that you set along the way. As a partner, Johnson Consulting Services LLC learns about your milestones, plans, and goals to support your personal and/or business achievements. While there are no shortcuts, you can be assured that Johnson Consulting Services LLC is here for the long haul, and works hard on the mission to meet and exceed your expectations and produce positive results.

Ranging from artistic endeavors to business planning, notarizations, grant funding, and scholarships for college, Johnson Consulting Services LLC was founded in Detroit, Michigan in January 2020. For the past year, DetroitJCS™ has successfully worked with individuals, families, businesses, and nonprofit organizations in metropolitan Detroit and beyond the state of Michigan, and people just like YOU, from all over the country.

The company offers up-front pricing and a free initial consultation (up to 1 hour).

Johnson Consulting Services LLC accepts debit and credit card payments in advance of service, and strictly adheres to social distancing, masking, and sanitizing protocols to prevent the spread of COVID-19. While most meetings are conducted virtually, the company will meet on-site as needed to conduct site visits for auditing, signing, and/or consulting work.

Thank you for choosing Johnson Consulting Services LLC, a Detroit-based, woman-owned business.
