From The Producers

*Go Where You Are
Celebrated!*

WELL HELLO EVERYONE!

Welcome to The 2026 Sunburst Convention of Celebrity Impersonators!

We are back! Yes, after making a BIG DEAL about 2024 being our last Sunburst Convention, it's looks like it ain't over! We had so many of you to approach us and ask us to keep doing it because it meant so much to you!

Jackie and I promised to "take it apart, look at it and put it back together so it made more sense for everyone." So that's what we did and here we are.

We try to adjust to new technology and keep up with the times. For instance, at first we were not going to do the Showcases at all. The Convention was going to be more of a social gathering. (Agents and buyers find most entertainers online now.) But so many Sunburst attendees WANTED that opportunity to perform for their colleagues, we added it back in, but in a more beneficial way for everyone.

So thank you for coming. Remember, if you need anything, let us know. If we can help you out, we will!

To our NEWBIES! WELCOME, WELCOME, WELCOME! You have found a new "family" here at Sunburst. We LOVE our Newbies!

Jackie, Mattisen and I are so happy you are here. We hope you have a great time and find it very beneficial in many ways!

With much love,

Greg and Jackie Thompson
Producers

I am happily retired in Missouri from all forms of work
and in good health for 76 years old.
I enjoyed attending and always got work from Sunburst.
I wish all the great people I met there the best.
