Congratulations are in order!
Award-Winning Entertainers are now Award-Winning Authors

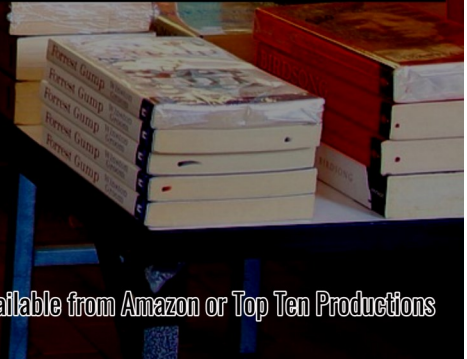

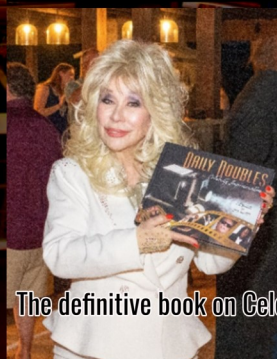

C.J. Morgan and Jack Bullard are both award-winning international celebrity impersonators. He is a dead-ringer for film icon Jack Nicholson and she is a Dolly Parton Tribute artist. They are now award-winning authors.

Daily Doubles 2 – Celebrity Impersonators is a book about this unusual industry featuring many of their entertainer friends and is currently available on Amazon. Entered into literary competitions at the urging of fellow author and performer, Deb Smith-Ford, the book won first place in two categories; 'Performing Arts' and 'Arts & Entertainment' and was a finalist in the category 'Coffee Table Book' from the National Indie Excellence Awards. It was also a winner in 'Best Cover Design' and a finalist for 'Best Gift Book' with the Next Generation Book Awards.

The couple, who met at the Sunburst Convention for Celebrity Impersonators in Orlando, FLA was recently honored at a gala held at the Newberry Library in Chicago.

"We are happy the public is enjoying this glimpse into our world and grateful for the support and cooperation of our many friends within it's pages," says Ms. Morgan. Bullard adds "This will hopefully help to advance the level of professionalism within this unique subset of show business and promote awareness among the general public."

Bullard & Morgan are becoming popular motivational speakers, sharing stories and anecdotes from their experiences as celebrity doppelgangers. For more information or to order an autographed book via Paypal, call Top Ten Productions at 615-289-4815.

PAT BENATAR TRIBUTE

813-629-9026

Facebook.com/allfireduptribute2benatar

All Fired Up: A Tribute to Benatar captures the vocal passion, the magical connections, the intricate guitar work and the ability to captivate the room like the original rock powerhouse that is Pat Benatar. JD has the look, the moves and the soaring mezzo-soprano lead vocals that are the signature of Benatar hits like Hit Me With Your Best Shot, We Belong, Invincible and Love is a Battlefield.

Guitarist Terry Carter lays down solid, soaring guitar riffs that do justice to the legendary licks delivered by Neil "Spyder" Giraldo to deliver an experience that will leave you breathless.

All Fired Up is more than just a tribute to one of rock's greatest success stories. It's a journey to the heart of the exceptional songwriting, stage presence, audience rapport, musicianship and sweeping vocals that defined an operatic rock phenom on the soundtrack of the 70's and 80's.
