Lou Villano

as Paul Anka presents

The Paul Anka Songbook Tribute Show

All the hits of Paul Anka and more.....

Jay Shapiro, after seeing Lou's show, recently wrote: "Lou Villano puts on one hell of a show. Probably the BEST Paul Anka Tribute performer in the United States."

Lou Villano grew up in Brooklyn singing the songs of some of the most popular singers from the 50's & 60's - Paul Anka was one of his favorites. While arranging his shows he remembered how many of his audiences commented that his resemblance and vocal styling is very similar to Paul Anka. They asked, "Why don't you do more songs by Paul Anka?" Now Lou becomes Paul Anka performing his hits – *Diana, Lonely Boy, The Longest Day, My Hometown, Puppy Love, Destiny, My Way* and so much more. Within the show are songs Paul Anka wrote for singers Buddy Holly, Frank Sinatra, Sammy Davis, Jr., Tom Jones plus hit songs from some of his fellow songwriters and friends Bobby Darin, Frankie Avalon & Bobby Rydell. Lou has been receiving rave reviews and standing ovations from his audiences whenever he performs this show. It's a show that you are going to remember as you walk out singing the songs you loved so much by such a talented songwriter and singer.

A Note From The Producers...

Dear Sunburst Attendees,

Welcome each and everyone one of you to our 17th convention. Who knew we would continue to grow as we have back since 2003 when this was just an idea in the making.

The goal of The Sunburst Convention is to promote our industry to the best of our ability. It is to make our attendees better entertainers, better promoters, even more professional and to give them a support system they can count on. It is to provide agents and talent bookers a broad variety of entertainers to choose from that they may not have known about otherwise, and to see them grow in their profession.

Each year, we try to make positive changes so that each convention is a little different, while keeping many of the aspects which have made it successful. This year, we are changing our "Promo Room" to our "Promo Lounge". It should come across more professional and relaxing and an exciting way to network. I believe this will be a great new way to market oneself and it will be simple and easy for the buyers.

We have also added THE SUNBURST FOLLIES. This is a new way to do those things you've always wanted to do but never have before or to show us your hidden talent. It's also an opportunity for additional stage time in front of the other attendees should you want it. It's held in The Sunburst Lounge on Friday Night.

The seminars have become one of the most popular and important features of The Sunburst Convention. There are always new and better ways to market and promote. Our attendees will hear from real talent agents and buyers so they can get information directly from the ones who book them.

We've got a record number of "newbies" this year so make sure you all get to know one another. The contacts and the exchange of information at the convention is priceless. We've got a great number of impersonators and look alikes of singers, comedians, politicians, actors and TV personalities.

Our lobby should be filled with your promotional material. In case you forgot something, it's not too late to put something together. I mean, there's a Target next door, Office Depot across the street and the hotel is attached to a mall for goodness sake!

If there is anything we can assist you with, please let us know. Thank you! We are SO excited you are here!

Have fun and ROCK THIS CONVENTION!

All the best,

Greg & Jackie Thompson– Producers
