

Use the following examples to take the same pictures of your own vehicle to be appraised.

1. Make sure to get back far enough to get all the details in the shot.
2. Make sure the files are in **jpeg format** and upload them using our Report Template online.
3. For Fair Market Valuation and Agreed Value use this form to upload:  
<https://www.cognitofrms.com/CFLAutoAppraise1/CustomerInfoFMV>
4. For Diminished Value and Total Loss Disputes, use this form to upload:  
<https://www.cognitofrms.com/CFLAutoAppraise1/CustomerInfoDVPTL>
5. If you need to resize your photos, follow this link for information on how get started resizing multiple photos all at once.

If you have any questions, please call or text us at 407-791-4034

Also, make sure the flash is only used on wider shots, do NOT use the flash when taking close pictures.  
EX: VIN, Mileage, Body Tags, etc...

Be sure to add any pictures of aftermarket and custom parts. Anything that can add value to the vehicle should be included in the pictures.

Thanks,
