WHO IS THE MAIC?

Mobile Area Interfaith Conference, Inc. (MAIC) is a collaboration of faith-based organizations and religious congregations on mission to encourage development of community resources to address unmet human needs with a focus on serving marginalized citizens. We offer housing assistance, employment referrals, workforce development, educational opportunities, and Trauma Informed Case Management to those who have been incarcerated.

WHY SHOULD YOU BECOME A SPONSOR?

The MAIC changes lives on a daily basis. If a person has been incarcerated, we don't judge. We simply help them get acclimated to society with whatever they may need. This is not just a job, its a passion.

We love to serve and our mission is to help our returning neighbors. Help us make a difference in our community, become a Sponsor Today!
