

# MDT SPECIALIZE SERVICES LLC

## CAPABILITY STATEMENT

### COMPANY OVERVIEW

MDT Specialize Services LLC is a trusted U.S.-based multi-service company offering reliable medical and non-medical carrier services, freight transportation, logistics coordination, real estate support, and general contracting. We specialize in hauling heavy and oversized loads, supporting facility operations, delivering office and uniform supplies, and providing security, janitorial, and real estate logging solutions. Our team is committed to delivering safe, efficient, and timely services while meeting the evolving needs of federal, state, and commercial clients. We operate with full compliance to all safety standards and regulations, ensuring consistent performance and client satisfaction.

### CORE COMPETENCIES

- **Freight Logistics:** Heavy haul and oversized load transport, time-sensitive deliveries
- **Carrier & Courier Services:** Local and long-distance package and freight delivery
- **Security Services:** Trained security guard and patrol services
- **Janitorial & Facility Services:** Professional cleaning, maintenance, and group home support
- **Office & Uniform Supplies:** Distribution of office equipment, linen, and uniforms
- **Project Management:** Logistics coordination, real-time tracking, and quality assurance

### COMPANY MISSION

To provide safe, reliable, and efficient freight, logistics, and facility support services that meet the evolving needs of government and commercial clients. We are committed to regulatory compliance, on-time delivery, and client satisfaction through every project.

### DIFFERENTIATORS

- Versatile contractor offering logistics, delivery, supply, and facility support services
- Competitive pricing and on-time delivery with flexible service options
- DOT-licensed and insured trucking operators
- Proven compliance with safety, health, and industry regulations
- Personalized customer care and tailored service models
- CAGE, UEI, and DUNS registered for government contracts

### COMPANY VISION

To be a trusted industry leader in multi-service operations—delivering innovative, high-quality, and cost-effective solutions that drive growth, build long-term partnerships, and make a positive impact in the communities we serve.
