

Dear Preschool Parents,

I have prepared a list of activities/assignments for your children to complete at home over the next week. I will be available at school for any questions you may have every week day beginning on Thursday March, 19<sup>th</sup>. I have been in touch with each of you to determine how you want work sent home to you. I will have new activities/assignment available every Thursday for the following week. I will make every effort to have these assignments posted on our school Website in addition to having them ready to be dropped off by the bus or picked up at school. I am also creating a face book group titled TVEMS PK123 and will be inviting all of you to join this group as another means of communication. In addition to this I am working on setting up accounts for families for ABC Mouse and the Waterford program that we use at school. At this time, I know that I will need email addresses for each of you in order to set up the Waterford account. I hope to have this set up by early next week. If you could please fill out the bottom of this form and return to school either by dropping it off or sending it back with the bus driver so I can begin this process.

Thank you so much for all of your patience and understanding as we navigate these uncharted waters.

Ms. Jay
