

Conveyor Components:

- Food Grade, Stainless Steel, Wash-down & Metric & Imperial Electric Motors
- Thermoplastic & Stainless Steel Pillow blocks, flange bearings, bushings
- Aluminum & Stainless Steel reducers
- V belts, Synchronous Belt, timing belts.
- Variable Frequency Drives (VFD's)
- Sensors
- Pressure & Temperature Gauges
- Stainless Steel Casters & polyurethane wheels
- Conveyor Belts, Chains & Components
- Conveyor rollers, Sanitary Drum pulleys & Drum motors
- Food Grade Electric Hoists
- Servomotors, Stepped Motors, Encoders

Pneumatics, Electromechanical & Motion Components:

- Cylinders
- Solenoid Valves
- Direct Operated Valves 3 way, 4 way valves
- Push to connect & Sanitary fittings
- Tubing & Specialty Hoses
- Grippers
- Quick Connectors
- Air Dryers
- Rotary Indexing Tables
- Diaphragm & Sample Valves
- FRL Unit: Filter, Regulator, & Lubricator

Mechanical Components:

- Sanitary pumps (centrifugal, rotary, lobe, piston)
- Air operated diaphragm pumps, centrifugal pumps, mechanical seals
- Assembled valves (Actuator, Positioner & Valve Combo)
- Stainless Steel Strainers
- Instrumentation—Flow Meters, Level gauges
- Agitators & Mixing Components
- Stainless Steel Heat Exchanger
- Stainless Steel Pressure Relief
- Vacuum Pumps & Components
