Highfields Hounds are here to take the worry away when you have to leave your pet behind.

We offer home from home boarding, in our family house alongside our own dog (Laid back Louis - pictured) Louis is no stranger to having many friends stay with us.

We are fully insured, all K9 first aiders & have completed a K9 behaviourist course.

Careful introductions are carried out prior to your requested pet stay with us. We intentionally keep our bookings limited. This ensures the best personal attention and stay with us (we very much appreciate early booking, so as not to disappoint)

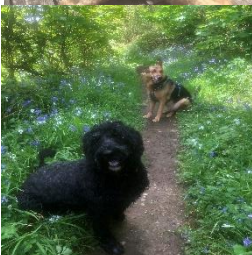

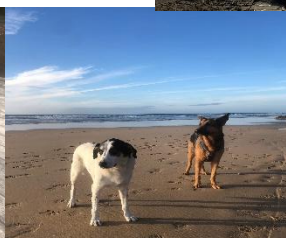

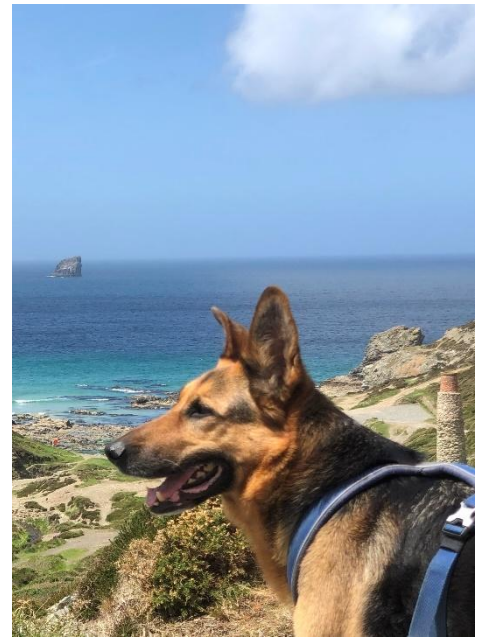

At Highfields Hounds we offer beach, country & woodland walks, daily. We have fields & walking tracks at home for extra 'Zoomies,' a plunge pool for cooling off, lots of comfy beds & a sun deck for quieter times 😊.

Standard Rates: (discounts available for longer bookings)

1 x Day £25

1 x Overnight £10

1 x Pickup or drop off £10
