We each possess far greater inner healing potential than we realize. Come discover how to awaken that inner capacity! This workshop—well suited for beginners and practicing healers alike—is a unique opportunity to learn about healing from an experienced Brennan Healing Science Practitioner, based on Dr. Barbara Brennan's world-renowned best-selling book *Hands of Light*®.

LEARN:

- **Powerful energy healing techniques**
- **How to regulate your energy for healing**
- **High Sense Perception skills for sensing the human energy field**
