

GF HIGHLIGHTS

All dishes on this menu are made with non gluten ingredients

Here are some dishes that are made with non gluten ingredients. Some may be adapted from our usual recipe to make them free from gluten so **please point out that you require them GF**. This may incur a small surcharge. Although the ingredients are Gluten Free, our kitchen is not, so there is a small chance of cross contamination. Please bear this in mind if you have a particularly high intolerance, thank you
