

**Fillmore Golf Club
April 2023**

Hello to all the golfers who play here and to anyone looking to come out and play our golf course. This upcoming season will be my fifth year at FGC and I would like take the time to thank everyone for all your support. It takes more than one person to make things happen at a golf course, to ensure everyone not only has an enjoyable experience but a place where everyone feels safe and welcome. I have been very fortunate to have a great staff, volunteers, and patrons and we will continue to strive to give you the best possible experience we can and provide you with the best possible playing conditions as well as customer service.

This past year we continued to make the necessary improvements to improve the operation. Thanks to the help of Doug Bower and crew we built much needed new bridges on holes #14 and #15 and we got great feedback from golfers that definitely said they felt safer. Thank you. We also, with the help of Steve Sweazey, installed a drainage system around the #2 green complex that improved playing conditions on this area and completed other areas on the course that needed it and will continue to do so. I have also fielded questions about other areas that need to be addressed and we are continuing to plan and improve other areas and hopefully start re-building some of the tee box areas that are in much needed renovation this year. Thank you for your feedback and suggestions. We do listen and do care!

In conclusion, we understand times are tough and everybody is facing the same challenges, not only in everyday life, but in the last few years. FGC is committed to offering added value to your golf experience and in the clubhouse as well. We offer the opportunity for everybody to have fun and escape some of life pressures and enjoy a great golf course with the best view in Southern Cayuga county! So please come out and golf, stop in for a refreshing cocktail, or to just say hi. It has been a pleasure to get to know everybody over the past few years and I look forward to another great season. Thank you very much and remember it costs nothing to be kind!
