LOOKING TO JOIN A LEAGUE?

TUESDAYS– Men's League

WEDNESDAYS– Women's League

THURSDAYS– Men's League

**Looking to start a Co-Ed league as well. Let us know if you are interested!*

Hello to all the golfers who play FGC and are looking forward to the upcoming golf season. As we spring our clocks forward and prepare for to this year's golf season, I would to first thank the golf community for all your support. It has been a pleasure providing you with the best possible experience we can and we are always trying to make the necessary improvements to make the property better.

This past fall, Friends of Fillmore GC led by Doug "Bulldog" Bower, constructed a much needed 12' equipment bridge across the creek on Hole #16 and we are now building a new steel frame wooden 8' golf cart bridge to hole #12. These are much needed improvements that provides better access as well as safer upgraded newer construction. We are also re-enforcing the bridge on hole #5 and plan on replacing other bridges this fall and a few years to come.

The maintenance staff aerated all 18 greens and the putting green last fall and top-dressed them with sand which will improve thatch reduction, soil health, and provide smoother greens as we continue to provide more consistent conditions. We are going to make a few more improvements on some tee boxes this year to improve the playability and make them more level. We understand the importance of making the tee boxes better so look for more improvements in the future.

Lastly, we understand 2020 was a tough year on most everybody and that we are all trying to get back to normal. To do our part we will be requiring and encouraging to practice social distancing when at the golf course and in and around the clubhouse and that everyone wear a mask when entering the clubhouse. We will be following all CDC and local health department protocols. Fillmore Golf Club is committed to providing a safe and enjoyable atmosphere for all of their patrons and employees until we get things back under control. Thanks again for all your support and we look forward a great 2021 golf season! See you on the tee.....
